THE SHORT COURSE

WILL START MONDAY AT NORMAL FOR FIVE DAYS' SESSION.

TO BE A BIG SUCCESS

Night Lecture at Court House Monday Night—The Program For the First Day

The first day's session of the branch short course will open Monday at the Normal school and is to continue throughout the week to Saturday. A lecture will be given Monday evening at the court house, but it is not known at this time who the lecturer will be.

The course is given under the direction of the state agricultural college.

The program for the first days session follows:

9-10 a. m.—Lecture: The Maintenance of Soil Fertility—Mr. Douglass. This lecture will have to do with the composition of soils, the making available of plant food and the methods of maintaining the permanent productivity of soils.

10-12 a. m.—Demonstration: Judging Beef Cattle—Mr. Allison and Mr. Simpson. A study of form, quality and condition in beef cattle; discussion of market classes and grades; score card practice and comparative judging.

1-2 p. m.—Lecture: Feeding Live Stock—Mr. Allison. This lecture will deal with some of the fundamental facts concerning the feeding of live stock; the composition of foodstuffs and the requirements of animals.

2-4 p. m.—Demonstration: Round Table—Mr. Douglass and Mr. Helm. This round table will consist of a discussion of the various problems connected with the practical handling of manures and fertilizers and the maintaining of a supply of the various elements of fertility in the soil.

MOORE FUNERAL MONDAY.

The Body Will Arrive in Maryville Monday Noon—Services at 2:30 p. m. in Undertaking Rooms.

The body of John Moore, a former well known resident of Maryville, who died Friday morning at the home of his daughter, Mrs. J. M. Woodard, 1301 East Seventh street, Pueblo, Col., will arrive in Maryville Monday noon, accompanied by Mrs. Woodard.

As the funeral service was held in Pueblo Saturday afternoon, there will be only a short service here, which will be held in the undertaking rooms of the Maryville Furniture company at 2:30 o'clock Monday afternoon. The G. A. R. will attend in a body and will have charge of the burial service in Miriam cemetery.

Mr. Moore was 74 years old at the time of his death. He had been in poor health for some time, and since the death of Mrs. Moore, which occurred last August, he had made his home with his daughter in Pueblo.

Mr. Moore was a native of Illinois and was a soldier of the civil war, serving in the Third Illinois Cavalry, Company F. He was injured in the battle of Pea Ridge and had been a cripple from that time. He located in Nodaway county at the close of the war, in the vicinity of Ravenwood, where he owned considerable land and was a successful farmer and stockman, and taught school in his district for about ten years, in addition to his farm work, his children starting to school to him. He then moved to Maryville for school privileges for his children. Last April he sold the Moore residence, on North Main street, and he and Mrs. Moore went to Pueblo, Col., and Kansas City to make their home with their children, intending to divide their time between the two places. Mrs. Moore became ill in Kansas City last August and died in a hospital there. Her body was brought to Maryville for burial by the body of a daughter, Alta Maide. Mrs. Moore had been in poor health for a good many years and required much care from her husband. After her death he missed her companionship so much that his health was greatly affected.

Mr. Moore gave personal attention to his business up to the time of his death, having signed a check and dictated a letter the day before he died. He had a remarkable memory for dates, distances and locations. He is the last of a family of nine children. Mr. Moore was married to Miss Eliza Raper, January 1, 1865. Four children survive—Mrs. Louella Moore Woodard of Pueblo, Col.; Mrs. Belle Russell of Tacoma, Wash.; John Sylvester Moore of Kansas City, and Charles C. Moore of Maryville.

NORTH WILDCAT WON.

Miss Agnes Coppersmith, First, and Miss Agnes Lager, Second, in Spelling Contest.

In the spelling contest between the students of the North Wildcat school and the Clyde school, which was held at the Clyde school Friday afternoon to determine who should represent Jefferson township in the Nodaway county spelling contest March 7, Miss Agnes Coppersmith of the North Wildcat school received first prize and Miss Agnes Lager of the same school was second. The successful contestants received a gold and silver medal respectively.

However, it was decided by the school officials that the winner of Friday's contest should not represent the township in the county contest, but that another contest should be held at Clyde on the afternoon of February 22, in which all the students of the seventh and eighth grades of the township were eligible, and the winner of that contest should be Jefferson's representative in the county contest.

Friday's contest attracted a large crowd and the Clyde city hall has been chartered for the next match. The schools to be represented in that contest are North Wildcat, South Wildcat, Old Conception New Conception, Hazel Grove and Bristle Ridge.

Mrs. Frank Leake and two children of Burlington Junction, who have been visiting her parents, Mr. and Mrs. A. M. Reece, the past week, returned home Friday.

G. A. R. HELD INSTALLATION BEFORE INVITED GUESTS.

THEN A FEAST AT REAM

The Boys and Girls of Sixty-One Are Real Comrades—They Give Each Other Roses.

The public installation of officers of Sedgwick post, No. 21, Grand Army of the Republic, was very well attended last night by members of that organization and their wives and members of the Woman's Relief Corps and their husbands and a few friends, who were the guests of the post for the occasion, and at the banquet that followed at the Ream hotel.

The impressive installation ceremonies were conducted by Past Senior Vice Department Commander John G. Grems, who acted as representative for the Missouri department commander, and the following were vested with official authority by him for the ensuing year:

Commander—Noah Sipes.

Senior vice commander—J. E. O'Neal.

Junior vice commander—J. D. Dickerson.

Adjutant—Charles Hyslop.

Quartermaster—George W. Null.

Chaplain—J. T. Karr.

Surgeon—D. C. Wilson.

Officer of the day—A. R. Souers.

Officer of the guard—John Herron.

Patriotic instructor—C. H. John.

Sergeant major—John G. Grems.

Quartermaster sergeant—W. X. Smith.

After the installation ceremonies Commander Sipes commanded Adjutant Hyslop to go ahead and see if all was ready in the banquet hall. He was gone quite a spell, it seemed, and for fear he had been tempted to remain on gaining sight of the feast, the commander came very near sending a special detail after him. But on looking around it was found that not one of his officers, not even the dignified installing officer, could be altogether trusted in such a place untempted by the spirit of forage and confiscation that was so fully developed in their soldier days, so all that could be done was to await developments, and if the wait was to be too long, then the Relief Corps was to be called to special duty. But the adjutant finally returned and the company was escorted to the Ream hotel by their hosts, and the feast that was served showed no signs of previous inroads having been made.

Mr. and Mrs. C. P. Anderson, the host and hostess at the Ream, assisted by Miss Getha Conrad of Parnell, had made splendid preparation for their guests, and although the post had held banquets there before, this one is pronounced the best of all. The dining room was handsomely decorated in flags and bunting and the lights covered with shades in red, white and blue, and the nicely laid tables held blooming narcissus in the same colors. The following menu was served:

Oyster Soup. Relishes. Chicken Salad. Cold Tongue. Cranberry Marmalade.

Bread and Butter Sandwiches. Nut Banana Salad on Lettuce.

Coffee. Ice Cream.

White Cake. Brown Stone Front Cake. All through the feast the spirit of good will that prompted the affair was at high tide, and you who have never had the honor of being in the company of these old soldiers and their best friends have not yet seen or felt the comradeship that can exist between men and women, because it is not the same any other place in the world. INCREASE OF \$251,990.12

In Bank Deposits Shown by Maryville Banks Over a Year Ago.

According to the statements of the Maryville banks published in The Democrat-Forum, showing conditions at the close of business February 4, 1913, they show an increase of \$251,990.12 in deposits over the statements of the same banks made a year ago, or on February 20, 1912. As compared with the statements made under the last call, or November 26, 1912, the deposits show an increase of \$288,577 over that statement. The deposits on February 4 were \$1,852,869.41; on November 26, 1912, they were \$1,564,292.41; on February 20, 1912, the deposits were \$1,600,879.29.

The Maryville National bank made an increase of \$114,985.66 in deposits over a year ago, the Nodaway Valley bank an increase of \$90,975.80, the Real Estate bank an increase of \$39,478.57, and the First National bank an increase of \$6,550.99.

All of the banks of Maryville are in a strong condition and are enjoying a healthy and growing business.

The following is a table of comparisons of the deposits in the banks under date of February 4 and February 20.

ONE MORE CONVERSION.

Meetings at the M. E. Church at Pickering Closed Thursday Night With 15 Additions and Conversions.

One more conversion at the closing meeting of the revival services at the M. E. church of Pickering Thursday night made the number of conversions and additions to the church since the meeting began fifteen. It is thought there will be other conversions and additions to the church later on as a direct result of the protracted effort just closed.

Rev. Gilbert S. Cox of the First M. E. church of Maryville preached the closing sermon Thursday night and sang a solo. The service was inspiring. In the afternoon at 4:15 Rev. Cox gave a very interesting object lesson to the grade pupils of the schools by the use of a magnet and bright and rusty nails.

Rev. Dueker, the pastor, will hold the usual services at the church Sunday, to which all are invited.

SEVEN TOOK EXAMS.

Two Women and Five Men Writing Today for the Position of Postmaster at Ravenwood.

A civil service examination is being held in Maryville Saturday at the Maryville Business college by the board of civil service commission composed of Fred H. French, Cleve J. Funk and Eldon Irvin. The examination is given to fill the postmaster ship at Ravenwood, Postmaster James Sawyers having resigned to take effect April 1, this year.

All fourth class postoffices, by a recent order of President Taft, are under civil service.

There were five men and two women taking the examinations Saturday, and the one making the highest required grade will be the one that will get the place. The place at Ravenwood pays \$828 a year.

LIGHT VOTE BEING CAST.

Monroe Township Will Probably Defeat the \$15,000 Good Roads Bond Issue.

A light vote is being cast today at Skidmore for the Monroe township \$15,000 good roads bond issue. Only about 100 votes had been cast up to 2:30 o'clock this afternoon, and out of that number there was a small majority against the bonds. The issue will probably be defeated by a small vote.

BAKER FARM SOLD.

Charles H. Wilson of Parnell Bought Farm East of City.

George B. Baker sold his farm of 250 acres, located two miles east of Maryville, Saturday to Charles H. Wilson of Parnell. The purchase price was \$150 an acre and the consideration was \$37,500. Mr. Wilson will take possession March 1.

Mrs. Will Donahue of this city went to Tarkio Saturday morning to attend the funeral services of her father, Peter Farley who died Friday at his home in Pleasant Hill, Mo. The funeral services will be held Sunday morning. Mr. Farley was an old resident of Tarkio, moving to Southern Missouri only a short time ago.

GREAT WHITE WAY

TEN BLOCKS OF IT VOTED FOR MARYVILLE BY COUNCIL.

A FIVE-YEAR CONTRACT

Residence Section Will Have 170 Madaz Lights 80-Candle Power—Paving Business.

The city council, through Mayor Robey and City Clerk Gann, signed the electric light contract Friday night, providing for street lighting in the residence portion of the city and a white way lighting system for the business section of the city. The contract is for five years.

Work will start at once by the Electric Light company on installing the white way. It is to be in within sixty days, barring accidents and bad weather. There are to be seventy-two ornamental posts, each bearing five lights. Then in the residence portion of the city there will be 170 80-candle power Madaz lights, at a cost of \$85 a light, or a total of \$2,550. The white way costs \$2,160 for the juice.

The white way will be on every night of the year to 12 o'clock, then one light on each post will be on the rest of the night. The posts used will be similar to that in front of the Empire theater. The installation costs the property owners and business men \$4,500, the county court paying \$750 for around the court house square.

Resolutions were adopted at the council meeting ordering that money be transferred from the paving interest fund to the paying sinking fund, and from the sewer interest fund to the sewer sinking fund. There is \$3,230 in the paving fund that was transferred, and \$4,244.32 in the sewer fund. This money will be used toward paying off some of the paving and sewer bonds.

A committee composed of Aldermen Foster, McNeal and Gray was appointed by Mayor Robey to confer with the board of public works in regard to city office rooms for the City Water company and also the city officials. A room for a council meeting will also be arranged for with these city offices, it is said. Several buildings are under consideration.

Mayor Robey was authorized to purchase a photograph to be used on all city warrants.

Sewell & Carter were granted permission by the council to build an underground gasoline tank.

The council will meet again next Friday evening.

SERIES OF FOUR SERMONS.

Rev. Gilbert S. Cox to Give Sermons Dealing With Some Ancient Stories.

Rev. Gilbert S. Cox, pastor of the First M. E. church will commence on Sunday evening to give the first sermon of a series of four on some ancient stories. The one for Sunday evening will be "The Story of the Creation of the World." For a week from Sunday, it will be "The Story of the Creation of Man." The next week, the sermon will be "The Story of the Garden of Eden," and the fourth one, "The Story of the Flood."

Miss Edna Miller went to Bolckow Friday evening to spend Sunday with her parents.

Deafness Cannot Be Cured

by local applications, as they cannot reach the
disaffected portion of the ear. There is only one
way to cure deafness, and that is by constitu-
tional remedies. Deafness is caused by an inflamed
condition of the mucous lining of the Eustachian
tube. When this tube is inflamed you have a
rumbling sound or imperfect hearing, and when
it is entirely closed deafness is the result, and
unless the inflammation can be taken out and
this tube restored to its normal condition, hear-
ing will be destroyed forever. It runs out of
the ear, and is caused by catarrh, which is nothing but
an inflamed condition of the mucous surfaces.
We will give one Hundred Dollars for any case
of deafness (caused by catarrh) that cannot be
cured by Hall's Catarrh Cure. Send for circu-
lar, free.

Goff and a number by the male quartet.

NORMAL TEAM WON.

But the Normal Girls' Team Was De-
feated in Game Played Fri-
day Night.

Three hundred and fifty people, the
largest crowd that ever attended a bas-
ket ball game in Maryville, packed the
Normal gymnasium Friday night to
witness the basket ball games between
the girls' and boys' teams of Amity
college and the Normal teams. The
Amity girls won the first contest by a
very close count of 9 to 6, while in
the second game the Normal boys got
revenge for the defeat administered
their fair teammates by drubbing the
Amity team 40 to 22.

Last night's contest was the first
for the Normal girls, and every girl
on the team played good ball. The
guarding of Thompson and Giber was
especially effective. For the Amity
girls Miss Coler at forward was the
star. She is a summer student at the
Normal and learned some of the fine
points of the game under Coach
Moore's supervision. The first half
of the girls' game ended with the
score a tie at 6 all. But in the second
half the enemy counted three more on

IF A LAXATIVE IS NEEDED—"CASCARETS"

Salts, Calomel and Cathartic Pills Are Violent—They Act on Bowels as Pepper Acts in Nostrils.

Take a Cascaret tonight and thoroughly cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have constipation and feel all worn out.

Are you keeping your bowels clean with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulfulness for months. Don't forget the children.—Advertisement.

LINKS TAMMANY IN POLICE-GRAFT

New York Gambler Tells of Buying Protection.

GIVES NAMES AND DATES.

Began in 1871 Paying \$10 to Patrolman, Then Paid \$60 Every Week to Police Captain Delaney—Makes Deal With Sheriff and District Attorney.

New York, Feb. 8.—James Purcell, for seventeen years a gambler in New York, unfolded to the aldermanic investigating committee graft levied during all that time. Testifying under oath he gave names, dates and places. He declared that he had paid the police many thousands of dollars.

Police Inspector McLaughlin, half a dozen police captains, including a brother-in-law of Charles F. Murphy, the Tammany leader, and scores of ward heelers and policemen, some now on the force, others off, were among the men who got the money, he said. Once, he said, orders came "in directly" from Murphy himself to close up. He moved at once.

Smooth shaven, nattily dressed in a suit of blue and wearing eye glasses, Purcell read from a pad of paper, on which he had written the history of his dealings with the police.

"The first protection money I paid was in 1897," he said. "I paid a policeman named Jerry Murphy \$10 not to disturb a racing game I was running. After that I began paying larger sums. The next was \$60 every week when I was running a gambling house—\$50 for Police Captain Delaney and \$10 for Dick Cahill, the policeman who collected it."

Payments Increase.

Purcell declared he paid \$100 a week to Sheriff Harvey of Queens county in 1909 for the privilege of running a pool room in Long Island City. "I offered him \$50 a week and he said he would have to take care of the district attorney, too. 'Well,' I said, 'we'll make it \$100 a week.' We had been running three weeks then."

"How about the money for those three weeks?" he asked. So the next night I brought him \$100 and I paid him \$100 a week thereafter till we left, three months later."

"Did you make any money there?" "We made \$4,000 on the crap game, \$2,000 in said and lost \$400 in the pool room. We made about \$5,600 clear in the three months and three weeks."

Under Cover for Months.

Purcell has been "under cover" for months—ever since the beginning of Charles Becker's trial for the murder of Rosenthal. He was ready to corroborate in many details Jack Rose's story of graft told in the Becker trial but was not called as a witness, because Justice Goff ruled out testimony through which the state hoped to prove that Becker had collected graft. Purcell will now tell his story, giving the names of men to whom he made payments, dates on which they were made and many other details.

Police Commissioner Waldo said that notwithstanding the refusal of District Attorney Whitman to permit Police Captain Walsh to disclose his confession to the police, the investigation by the police of his story would continue without interruption. It was more important, Mr. Waldo said, immediately to get grafters off the police force than to await the results of their trial. Inspector Sweeney, suspended as a result of Walsh's confession, has made no statement.

Communicaton

For County Advisor.

Editor Democrat-Forum: In a recent issue of your paper there appeared an article against a county advisor for farmers. I reply to this because I think it represents the feeling of many farmers who are not acquainted with the benefits to be derived from the advice of a farm expert.

In drawing their conclusion as to the value of such a man they have not taken into consideration all the factors in the situation. A farm advisor is not a man with a code of rules, automatic in their action, to be applied in all cases and which work equally well under all conditions. Such a conception of the farm advisor is far from the truth. The real and true conception of a farm advisor, as I see him, is a man placed in the county to co-operate with the farmers of that county in working out the particular problems of the community. Such problems cannot be adequately solved from the state department, or the U. S. department of agriculture for the conditions of climate, soil, rainfall, etc., are very different in the different counties. Such an attempt to eliminate these vital factors would be a species of folly which would be attempted only by the ignorant or unthoughtful. These departments are not attempting to do this for they realize the folly of such a scheme. They are advocating the farm advisor because they realize there is a broad gap between the agricultural college and the farmer.

They also realize that the farmer has as much right to the benefits of scientific investigation as the manufacturer. This they are not able to give him under the present regime.

I will cite you one of the multitude of instances in which this is true.

Much has been said of late years about nitrogen fixation in the soil. In applying fertilizers and manures, a knowledge of the composition of the soil is necessary to assure substantial results. In the application of certain manures on some soils the chemical reaction is such that free nitrogen, in the form of ammonia or other gaseous products is liberated and a positive loss of nitrogen is sustained, to say nothing of the waste in time, money, fertilizer, etc.

Not many farmers are well enough acquainted with the principles of agricultural chemistry to make this analysis. This is but one instance of a multitude which might be mentioned.

I believe the real vital need of the farm advisor is obvious to thinking men and may God hasten the day when we farmers will get a broader vision and in getting it get our share of the results of modern science.

High School Notes

A postponed game between the teams captained by Lyle and Blagg was played last Monday. The latter won by a score of 18 to 19. Prof. Westbrook refereed.

The beginning seniors held their first class meeting Monday afternoon for the purpose of organizing. The following officers were elected: Laura Craig, president; Ruth Reuillard, vice president; Cleo Lash, secretary; Kirker Sawyer, treasurer. There are thirteen members in the class, ten girls and three boys.

The high school first team will play Bedford at that place tonight. This will be the second of the out-of-town series for the high school, the first game having been lost to Blanchard. Those who will make the trip are Leech, Thompson, David, Murray, Wilson and Streater.

Another tournament in the class B has been arranged. The last series was very successful and the rooters are looking forward to some hotly contested games.

The visitors of the week were Miss Helen Helply, Miss Hazel Everhart, Miss Eleanor Smith, Mr. Fred Vanderloot and Mr. Ray Foland.

The assembly period was turned over to Walter Frasier, the H. S. yell leader, Thursday for the purpose of teaching several new yells. It was a decidedly successful meeting.

The advanced seniors held their first meeting, since they have come to be classified thus, Tuesday afternoon. It was a very long session and many plans for the remainder of the term were made. An order for the class pennants was mailed last Thursday and they are expected to be here the last of next week. This is the largest class in the history of the school, there being twenty-eight members.

Rev. H. M. Baker of Hopkins gave a very interesting talk Friday in assembly on Character Courage and Endurance.

Miss Clara B. Neill, who has been visiting for three weeks with her sister, Mrs. H. W. Willets at Stillwater, Okla., returned to Maryville Friday for a visit with her sister, Mrs. J. Arthur Wray.

SO-ONS GALLANT TO SUFFRAGISTS

Favorable Report on Resolution for Submission Promised

WOMEN STORM LEGISLATURE.

Jefferson City, Feb. 8.—The suffragettes took the legislative committees by storm and won before the battle was fairly opened. It was a surrender without terms on the part of the lawmakers and was entirely unexpected.

Both the senate and house equal suffrage amendments will be reported favorably. The vote of the senate committee was unanimous.

The suffragettes are happy, but rather disappointed that they won so easy a victory. Not one-fifth of their orators had spoken, and everyone had settled down for a long siege when President Pro Tem Wilson of the senate asked leave to make a motion.

He said there was no use in wasting any more time of the senate committee in asking it to do what was right and he moved that the Craig amendment be reported favorably. Senator Gardner of St. Louis county seconded the motion and it carried without a dissenting vote. The house committee vote followed immediately and before half the big audience knew what was going on the joint meeting adjourned.

"WETS" WERE VANQUISHED

Liquor Champions Were Overwhelmed in the "Dry" House.

Jefferson City, Feb. 8.—The "wets" were knocked out in an all day's battle with the "drys" on the floor of the house. When the hours of oratory and bitter verbal fights and shrewd maneuvering was over the county unit bill, which the drys say will make all Missouri dry in a few years with the exception of Kansas City, St. Joseph and St. Louis, had been sent to engrossment. The "wets" did not even ask for a roll call, so thoroughly had they been whipped by the "drys" on the other test votes of the day.

The bill will come up for final passage in the house Monday. It is certain to be passed. So large a majority have the "drys," so the test votes developed, they can pass about any bill they please in the house. The "wet" leaders are in a panic. They wonder if the "wets" of the senate can defend the "bridge" safely, as they have in years past.

The county unit bill provides that in the future all counties shall vote as a unit on local option. The results of the local option fights show that every county, with the possible exception of Pettis, outside the three cities, would go dry if the voters cast their ballots as they have done in the past.

FARM EXPERT IN JOHNSON

County Court Appropriated \$1,000 Annually at Request of Farmers.

Warrensburg, Mo., Feb. 8.—Johnson county, through its court, appropriated \$1,000 annually for the purpose of employing a farm adviser, thus taking advantage of the offer of the department of agriculture and the state of Missouri to duplicate the sum appropriated by the counties to hire expert farm teachers. The action of the court was at the solicitation of a big delegation of farmers from all parts of the county, who requested the court to make this an institution backed by the county, as it was their intention to have expert farm advice and the farmers and business men had already taken steps to pay for it.

JURY OF 11 DECIDES CASE

One St. Louis Juror Died, but Others Gave a Verdict.

St. Louis, Feb. 8.—Louis Duffy, a member of a jury in a libel case in the circuit court, died in the jury room here while the jury was considering the evidence and preparing a verdict.

The jury had been out about fifteen minutes, when the deputy sheriff attached to the court was summoned by the prolonged humming of the "buzz" er." He rushed upstairs to the jury room and found the eleven jurors standing awe-stricken about their dead companion. By agreement of counsel, the case was sent back to the remaining eleven jurors.

House Favors Stock Yards Inquiry.

Jefferson City, Feb. 8.—The house voted to send an investigating committee of three to inquire into the commission and yardage prices charged at the Kansas City stock yards. It is proposed that this committee shall act with a similar committee from the Kansas legislature. The senate must yet pass the resolution before it will be determined whether Missouri will join in the investigation or not.

Callaway County Pioneer Dead.

Fulton, Mo., Feb. 8.—John B. Peters, eighty-five years old, one of the pioneer citizens of Callaway county and a brother of the late Judge Frank Peters, is dead at his home in Williamsburg.

Rogers Withdraws From Darrow Case. Los Angeles, Feb. 8.—Earl Rogers, counsel for Clarence S. Darrow, the Chicago attorney, in his trial for jury bribing, withdrew from the case after being confined to his bed. He probably will go to a sanitarium.

Left for Mississippi.

Miss Maude Sheldon, who has been spending several weeks in Maryville with her parents, Mr. and Mrs. E. B. Sheldon, left Saturday morning for Columbia, Miss., where she has charge of the millinery department for a department store. Miss Sheldon stopped in St. Joseph for an over-Sunday visit with Mrs. Lewis C. Allen. From there she will go to St. Louis to spend a few days with Mrs. Fred Rowley.

WAR DECLARED.

Catarh Germs Must Be Conquered or Health Will Be Destroyed.

If you have Catarh you must vanquish an army of persistent, destructive microbes before you can be healthy.

You might as well choose your weapons, declare war and destroy this army of Catarh germs right now.

Booth's HYOMEI, a pleasant germ destroying air breathed over the entire membrane will kill Catarh germs.

Booth's HYOMEI (pronounce it High-o-mei) is guaranteed by Orear-Henry Drug Co. to end Catarh or money back. It surely is fine for Coughs, Colds and Croup. If you own a little HYOMEI hard rubber pocket inhaler get a separate bottle of HYOMEI for only 50 cents. If you haven't an inhaler secure a complete outfit for only \$1.00. Just breathe it—no stomach dosing.—Advertisement.

Guest From Fort Morgan.

Mrs. Angie Fishback of Fort Morgan, Colo., arrived in Maryville Saturday noon and will be the guest of Mrs. Harry Harrison until Tuesday. Mrs. Fishback was in the millinery business in Maryville a number of years ago and is now engaged in that business in Fort Morgan, Colo.

No Need to Stop Work.

When the doctor orders you to stop work it staggers you. I can't, you say. You know you are weak, run down and failing in health day by day, but you must work as long as you can stand. What you need is Electric Bitters to give tone, strength and vigor to your system, to prevent break down and build you up. Don't be weak, sickly or ailing when Electric Bitters will benefit you from the first dose. Thousands bless them for their glorious health and strength. Try them. Every bottle is guaranteed to satisfy. Only 50c at the Orear-Henry Drug Co.—Advertisement.

SOLDIERS BANQUET

(Continued from Page 1)

Several who should have been there to take part in the toasts and other pleasures of the evening were hindered on account of sickness, and their absence was referred to often with keen regret.

Rev. C. H. John, who was to have acted as toastmaster, was unable to attend on account of the illness of Mrs. John, and his place was taken by Captain Charles Hyslop. The toasts responded to were:

"But for the G. A. R., What?" by Chaplain J. T. Karr. He spoke of the brotherhood of the men who comprise this organization, how it was impossible to conceive of the tie that holds them together except by men who are soldiers and have fought for the same flag, and called attention to the fact that when they are gone, and they are passing rapidly, the organization will be gone forever, which is true of no other organization in the world.

"Our Guests," the toast of Judge I. K. Alderman, who was unable to be present, was read by the toastmaster. He referred to "our guests," "the girls we left behind us," and the tribute he paid to the "girls of '61" and to the Woman's Relief Corps was indeed eloquent and beautiful.

The responses to the toasts were made by Mrs. R. S. Braniger, president of the W. R. C., and Mrs. R. M. Black, patriotic instructor for the corps. Mrs. Black spoke first, and the way she talked about the boys and girls of civil war times, and the good times they had, would make the boys and girls of today go right in for war. She says the good times of today are nothing to be compared with the good times she had when she was 17 years old, and the boys had to come home on furlough because of sickness or wounds. How everybody turned out to see how good they could be to them; how handsome they were; the letters everybody wrote to the boys at the front with not one discouraging word in them. But Mrs. Black is not in favor of another war to bring the good times.

Mrs. R. S. Braniger responded in a happy, patriotic speech that was cheered, as was also Mrs. Black's, and Mrs. John Herron responded in a few words that closed the speech making.

Dr. D. C. Wilson responded briefly to "Is the Work of the G. A. R. Finished?" He believes that the way the old soldier may partially repay the girl who is taking care of him is to turn over to her what he is getting from Uncle Sam and let her buy new hats or anything she wants to buy with it.

It is indeed worth a whole evening at a banquet to hear the old soldier boys and their girls throw bouquets at one another. They are in earnest, too, and they can think of more fine things to say that have the truest and best ring to them than you can ever think about. Friday night's banquet will not be forgotten very soon by those who were there.

The banqueters were Mrs. Anna Day, Mrs. F. J. Quinn, Mrs. Margaret Williams, Captain and Mrs. I. M. Woods, Mr. and Mrs. C. E. White, Miss Marcia Messenger, Mr. and Mrs. J. T. Karr, Captain Charles Hyslop, Mr. and Mrs. Glover Kelley, Mr. and Mrs. Jacob Moon, Mr. and Mrs. Joseph Reese, Mr. and Mrs. Omar Catterson, Mr. and Mrs. J. D. Ford, Mr. and Mrs. LeRoy Johnson, Mr. and Mrs. N. F. Hopper, Mrs. Jennie Leach, Mrs. R. M. Black, J. Lacy, Mrs. Anna Belcher, Mrs. Jacob Gearhart, Mr. and Mrs. J. E. O'Neal, Mr. and Mrs. J. R. Croy, Mrs. G. Maier, Mrs. L. E. Gault, Mr. and Mrs. J. M. Smith, B. J. Bentow, A. R. Sowers, Mr. and Mrs. D. Housal, Mr. and Mrs. A. J. Croy, Mr. and Mrs. Alex Gray, Mr. and Mrs. J. T. Hays, Dr. D. C. Wilson, A. M. Hopper, Adam Kern, Mr. and Mrs. J. D. Dickerson, John G. Grems, Miss Adella Grems, Mr. and Mrs. G. A. VanSteenbergh, Mr. and Mrs. E. F. Wolfert, J. B. Gray, Mr. and Mrs. J. C. Allen, H. Stone, George W. Gordon, B. S. Bostick, Mr. and Mrs. S. J. Pinnell, Miss Avis G. Pinnell, Mrs. Mary Hook, Miss Della Hook, Mr. and Mrs. R. S. Braniger, Mr. and Mrs. S. H. Townsend, Mrs. S. K. Beech, Mrs. Alice Gehr, Mr. and Mrs. Matt Lahr, Mr. and Mrs. W. A. Bailey, Mrs. A. Lutz of Pickering, Mrs. Linda Nelson, J. M. Evans, Miss Mary G. Evans, Mr. and Mrs. John Herren, W. X. Smith and John Harrison.

Mr. Carl Turpin returned to his home, near Skidmore, after a few days' visit in Maryville. He came to attend the Anderson-Van Fossan wedding Thursday and acted as best man.

Mrs. M. B. Moore and Miss Mabel Moore went to Bolckow Saturday morning to visit over Sunday with Mrs. Moore's daughter, Mrs. Fred Swann.

Mrs. Della Long Unable to Stand on Her Feet More Than a Few Minutes at a Time.

Pendergrass, Ga.—Mrs. Della Long, of this place, in a recent letter, says: "For five or six years, I suffered agonies with womanly troubles."

Often, I couldn't sit up more than a few minutes at a time, and if I stood on my feet long, I would faint."

I took Cardui, and it helped me immediately. Now, I can do my work all the time, and don't suffer like I did."

Take Cardui when you feel ill in any way—weak, tired, miserable, or under the weather. Cardui is a strength-building tonic medicine for women.

It has been found to relieve pain and distress caused by womanly troubles, and is an excellent medicine to have on hand at all times.

Cardui acts on the womanly constitution, building up womanly strength, toning up the nerves, and regulating the womanly organs.

Its half century of success is due to merit. It has done good to thousands. Will you try it? It may be just what you need. Ask your druggist about Cardui. He will recommend it.

THE SHORT COURSE

WILL START MONDAY AT NORMAL FOR FIVE DAYS' SESSION.

TO BE A BIG SUCCESS

Night Lecture at Court House Monday Night—The Program For the First Day

The first day's session of the branch short course will open Monday at the Normal school and is to continue throughout the week to Saturday. A lecture will be given Monday evening at the court house, but it is not known at this time who the lecturer will be.

The course is given under the direction of the state agricultural college.

The program for the first days session follows:

9-10 a. m.—Lecture: The Maintenance of Soil Fertility—Mr. Douglass. This lecture will have to do with the composition of soils, the making available of plant food and the methods of maintaining the permanent productivity of soils.

10-12 a. m.—Demonstration: Judging Beef Cattle—Mr. Allison and Mr. Simpson. A study of form, quality and condition in beef cattle; discussion of market classes and grades; score card practice and comparative judging.

1-2 p. m.—Lecture: Feeding Live Stock—Mr. Allison. This lecture will deal with some of the fundamental facts concerning the feeding of live stock; the composition of foodstuffs and the requirements of animals.

2-4 p. m.—Demonstration: Round Table—Mr. Douglass and Mr. Helm. This round table will consist of a discussion of the various problems connected with the practical handling of manures and fertilizers and the maintaining of a supply of the various elements of fertility in the soil.

MOORE FUNERAL MONDAY.

The Body Will Arrive in Maryville Monday Noon—Services at 2:30 p. m. in Undertaking Rooms.

The body of John Moore, a former well known resident of Maryville, who died Friday morning at the home of his daughter, Mrs. J. M. Woodard, 1301 East Seventh street, Pueblo, Col., will arrive in Maryville Monday noon, accompanied by Mrs. Woodard.

As the funeral service was held in Pueblo Saturday afternoon, there will be only a short service here, which will be held in the undertaking rooms of the Maryville Furniture company at 2:30 o'clock Monday afternoon. The G. A. R. will attend in a body and will have charge of the burial service in Miriam cemetery.

Mr. Moore was 74 years old at the time of his death. He had been in poor health for some time, and since the death of Mrs. Moore, which occurred last August, he had made his home with his daughter in Pueblo.

Mr. Moore was a native of Illinois and was a soldier of the civil war, serving in the Third Illinois Cavalry, Company F. He was injured in the battle of Pea Ridge and had been a cripple from that time. He located in Nodaway county at the close of the war, in the vicinity of Ravenwood, where he owned considerable land and was a successful farmer and stockman, and taught school in his district for about ten years, in addition to his farm work, his children starting to school to him. He then moved to Maryville for school privileges for his children. Last April he sold the Moore residence, on North Main street, and he and Mrs. Moore went to Pueblo, Col., and Kansas City to make their home with their children, intending to divide their time between the two places. Mrs. Moore became ill in Kansas City last August and died in a hospital there. Her body was brought to Maryville for burial by the body of a daughter, Alta Maide. Mrs. Moore had been in poor health for a good many years and required much care from her husband. After her death he missed her companionship so much that his health was greatly affected.

Mr. Moore gave personal attention to his business up to the time of his death, having signed a check and dictated a letter the day before he died. He had a remarkable memory for dates, distances and locations. He is the last of a family of nine children.

Mr. Moore was married to Miss Eliza Raper, January 1, 1865. Four children survive—Mrs. Luella Moore Woodard of Pueblo, Col.; Mrs. Belle Russell of Tacoma, Wash.; John Sylvester Moore of Kansas City, and Charles C. Moore of Maryville.

NORTH WILDCAT WON.

Miss Agnes Coppersmith, First, and Miss Agnes Lager, Second, in Spelling Contest.

In the spelling contest between the students of the North Wildcat school and the Clyde school, which was held at the Clyde school Friday afternoon to determine who should represent Jefferson township in the Nodaway county spelling contest March 7, Miss Agnes Coppersmith of the North Wildcat school received first prize and Miss Agnes Lager of the same school was second. The successful contestants received a gold and silver medal respectively.

However, it was decided by the school officials that the winner of Friday's contest should not represent the township in the county contest, but that another contest should be held at Clyde on the afternoon of February 22, in which all the students of the seventh and eighth grades of the township were eligible, and the winner of that contest should be Jefferson's representative in the county contest.

Friday's contest attracted a large crowd and the Clyde city hall has been chartered for the next match. The schools to be represented in that contest are North Wildcat, South Wildcat, Old Conception New Conception, Hazel Grove and Bristle Ridge.

Mrs. Frank Leake and two children of Burlington Junction, who have been visiting her parents, Mr. and Mrs. A. M. Reece, the past week, returned home Friday.

On and after Feb. the 15th

SELECTIONS MADE THIS AFTERNOON FOR COUNTY POSITIONS.

CLARY AS ENGINEER

Dr. L. E. Dean as County Physician—Townsend, Brummitt and Peery Also Appointed.

The Appointments.

John H. Clary, county highway engineer.

Dr. Leslie E. Dean, county health officer and physician.

W. A. Townsend, janitor of the court house.

R. G. Brummitt, superintendent of the poor farm.

M. A. Peery, title examiner.

The above are the appointments made by the county court this afternoon and will serve for a term of one year.

John H. Clary as county highway engineer has had several years of experience as a civil engineer and is a graduate of the State School of Mines at Rolla, Mo. The position pays a salary of \$1,000 a year and traveling expenses.

Dr. Dean succeeds Dr. C. V. Martin as county health officer and physician. The position pays about \$800 a year.

W. A. Townsend and R. G. Brummitt will each receive \$50 a month.

M. A. Peery as title examiner will receive fees.

The court adjourned this afternoon to meet again in March.

HIKED THE ASSESSMENT.

Railroad, Telephone and Telegraph Companies Are Raised by Court.

G. A. R. HELD INSTALLATION BEFORE INVITED GUESTS.

THEN A FEAST AT REAM

The Boys and Girls of Sixty-One Are Real Comrades—They Give Each Other Roses.

The public installation of officers of Sedgwick post, No. 21, Grand Army of the Republic, was very well attended last night by members of that organization and their wives and members of the Woman's Relief Corps and their husbands and a few friends, who were the guests of the post for the occasion, and at the banquet that followed at the Ream hotel.

The impressive installation ceremonies were conducted by Past Senior Vice Department Commander John G. Grems, who acted as representative for the Missouri department commander, and the following were vested with official authority by him for the ensuing year:

Commander—Noah Sipes.

Senior vice commander—J. E. O'Neal.

Junior vice commander—J. D. Dickerson.

Adjutant—Charles Hyslop.

Quartermaster—George W. Null.

Chaplain—J. T. Karr.

Surgeon—D. C. Wilson.

Officer of the day—A. R. Souers.

Officer of the guard—John Herron.

Patriotic instructor—C. H. John.

Sergeant major—John G. Grems.

Quartermaster sergeant—W. X. Smith.

After the installation ceremonies Commander Sipes commanded Adjutant Hyslop to go ahead and see if all was ready in the banquet hall. He was gone quite a spell, it seemed, and for fear he had been tempted to remain on gaining sight of the feast, the commander came very near sending a special detail after him. But on looking around it was found that not one of his officers, not even the dignified installing officer, could be altogether trusted in such a place untended by the spirit of forage and confiscation that was so fully developed in their soldier days, so all that could be done was to await developments, and if the wait was to be too long, then the Relief Corps was to be called to special duty. But the adjutant finally returned and the company was escorted to the Ream hotel by their hosts, and the feast that was served showed no signs of previous inroads having been made.

Mr. and Mrs. C. P. Anderson, the host and hostess at the Ream, assisted by Miss Getha Conrad of Parnell, had made splendid preparation for the guests, and although the post had held banquets there before, this one is pronounced the best of all. The dining room was handsomely decorated in flags and bunting and the lights covered with shades in red, white and blue, and the nicely laid tables held blooming narcissus in the same colors. The following menu was served:

Oyster Soup.
Relishes.
Pickles. Celery. Apples. Oranges.
Chicken Salad. Cold Tongue.
Cranberry Marmalade.

Bread and Butter Sandwiches.
Nut Banana Salad on Lettuce.
Coffee.

Ice Cream.

White Cake. Brown Stone Front Cake.

All through the feast the spirit of good will that prompted the affair was at high tide, and you who have never had the honor of being in the company of these old soldiers and their best friends have not yet seen or felt the comradeship that can exist between men and women, because it is not the same any other place in the world. INCREASE OF \$251,990.12

In Bank Deposits Shown by Maryville Banks Over a Year Ago.

According to the statements of the Maryville banks published in The Democrat-Forum, showing conditions at the close of business February 4, 1913, they show an increase of \$251,990.12 in deposits over the statements of the same banks made a year ago, or on February 20, 1912. As compared with the statements made under the last call, or November 26, 1912, the deposits show an increase of \$288,577 over that statement. The deposits on February 4 were \$1,852,869.41; on November 26, 1912, they were \$1,564,292.41; on February 20, 1912, the deposits were \$1,600,879.29.

The Maryville National bank made an increase of \$114,985.66 in deposits over a year ago, the Nodaway Valley bank an increase of \$90,975.80, the Real Estate bank an increase of \$39,478.57, and the First National bank an increase of \$6,550.09.

All of the banks of Maryville are in a strong condition and are enjoying a healthy and growing business.

The following is a table of comparisons of the deposits in the banks under date of February 4 and February 20.

ONE MORE CONVERSION.

Meetings at the M. E. Church at Pickering Closed Thursday Night With 15 Additions and Conversions.

One more conversion at the closing meeting of the revival services at the M. E. church of Pickering Thursday night made the number of conversions and additions to the church since the meeting began fifteen. It is thought there will be other conversions and additions to the church later on as a direct result of the protracted effort just closed.

Rev. Gilbert S. Cox of the First M. E. church of Maryville preached the closing sermon Thursday night and sang a solo. The service was inspiring. In the afternoon at 4:15 Rev. Cox gave a very interesting object lesson to the grade pupils of the schools by the use of a magnet and bright and rusty nails.

Rev. Dueker, the pastor, will hold the usual services at the church Sunday, to which all are invited.

SEVEN TOOK EXAMS.

Two Women and Five Men Writing Today for the Position of Postmaster at Ravenwood.

A civil service examination is being held in Maryville Saturday at the Maryville Business college by the board of civil service commission composed of Fred H. French, Cleve J. Funk and Eldon Irvin. The examination is given to fill the postmastership at Ravenwood, Postmaster James Sawyers having resigned to take effect April 1, this year.

All fourth class postoffices, by a recent order of President Taft, are under civil service.

There were five men and two women taking the examinations Saturday, and the one making the highest required grade will be the one that will get the place. The place at Ravenwood pays \$328 a year.

LIGHT VOTE BEING CAST.

Monroe Township Will Probably Defeat the \$15,000 Good Roads Bond Issue.

A light vote is being cast today at Skidmore for the Monroe township \$15,000 good roads bond issue. Only about 100 votes had been cast up to 2:30 o'clock this afternoon, and out of that number there was a small majority against the bonds. The issue will probably be defeated by a small vote.

BAKER FARM SOLD.

Charles H. Wilson of Parnell Bought Farm East of City.

George B. Baker sold his farm of 250 acres, located two miles east of Maryville, Saturday to Charles H. Wilson of Parnell. The purchase price was \$150 an acre and the consideration was \$37,500. Mr. Wilson will take possession March 1.

Mrs. Will Donahue of this city went to Tarkio Saturday morning to attend the funeral services of her father, Peter Farley who died Friday at his home in Pleasant Hill, Mo. The funeral services will be held Sunday morning. Mr. Farley was an old resident of Tarkio, moving to Southern Missouri only a short time ago.

GREAT WHITE WAY

TEN BLOCKS OF IT VOTED FOR MARYVILLE BY COUNCIL.

A FIVE-YEAR CONTRACT

Residence Section Will Have 170 Madaz Lights 80-Candle Power—Paving Business.

The city council, through Mayor Robey and City Clerk Gann, signed the electric light contract Friday night providing for street lighting in the residence portion of the city and a white way lighting system for the business section of the city. The contract is for five years.

Work will start at once by the Electric Light company on installing the white way. It is to be in within sixty days, barring accidents and bad weather. There are to be seventy-two ornamental posts, each bearing five lights. Then in the residence portion of the city there will be 170 80-candle power Madaz lights, at a cost of \$35 a light, or a total of \$2,550. The white way costs \$2,160 for the juice.

The white way will be on every night of the year to 12 o'clock, then one light on each post will be on the rest of the night. The posts used will be similar to that in front of the Empire theater. The installation costs the property owners and business men \$4,500, the county court paying \$750 for around the court house square.

Resolutions were adopted at the council meeting ordering that money be transferred from the paving interest fund to the paying sinking fund, and from the sewer interest fund to the sewer sinking fund. There is \$3,230 in the paving fund that was transferred, and \$4,244.32 in the sewer fund. This money will be used toward paying off some of the paving and sewer bonds.

A committee composed of Aldermen Foster, McNeal and Gray was appointed by Mayor Robey to confer with the board of public works in regard to city office rooms for the City Water company and also the city officials. A room for a council meeting will also be arranged for with these city offices, it is said. Several buildings are under consideration.

Mayor Robey was authorized to purchase a photostereograph to be used on all city warrants.

Sewell & Carter were granted permission by the council to build an underground gasoline tank.

The council will meet again next Friday evening.

SERIES OF FOUR SERMONS.

Rev. Gilbert S. Cox to Give Sermons—Dealing With Some Ancient Stories.

Rev. Gilbert S. Cox, pastor of the First M. E. church will commence on Sunday evening to give the first sermon of a series of four on some ancient stories. The one for Sunday evening will be "The Story of the Creation of the World." For a week, from Sunday, it will be "The Story of the Creation of Man." The next week, the sermon will be "The Story of the Garden of Eden," and the fourth one, "The Story of the Flood."

Miss Edna Miller went to Bolckow Friday evening to spend Sunday with her parents.

Deafness Cannot Be Cured

by local applications, as they cannot reach the
diseased portion of the ear. There is only one
way to cure deafness, and that is by constitutional
remedies. Deafness is caused by an inflamed
condition of the mucous lining of the Eustachian
tube. When this tube is inflamed you have a
ringing sound or imperfect hearing, and when
it is entirely closed deafness is the result, and
unless the inflammation can be taken out and
the tube restored to its normal condition, hearing
will be destroyed forever; this comes out of
the ear caused by catarrh, which is nothing but
an inflamed condition of the mucous surface.
We will give One Hundred Dollars for any case
of deafness caused by catarrh that cannot be
cured by Hall's Catarrh Cure. Send for circular
free.

The morning sermon will be about
"The King With the Reed." The life of
Abraham Lincoln is so full of inspira-
tion for men who are dealing with the
problems of today that we cannot let
the anniversary of his birth, February
12, pass by without holding a Lin-
coln service. Tomorrow evening's ser-
mon will be entitled "The Nation's
Crisis and God's Man."
The Sunday school and Young Peo-
ple's club will meet at the usual
hours.

First M. E. Church.

Nicola, will be sung by Miss Jackson
and Mr. Lena Perrin.
At the evening service the choir will
sing "Through the Day Thy Love Has
Spared Me."

Buchanan Street Methodist.
Sunday school at 9:30 a. m. We
have put the matter of growth up to
the classes and they are making good.
Did you see the Wage Earners' ad on
the banquet program?
Preaching at 10:45 a. m. by the pas-
tor. Subject, "Is Man Only Dust?"
You can't weigh a soul. The body of
the average man contains one-tenth
of a cubic yard of solids. They can
be weighed as well as measured.
What is the evidence for the existence
of a soul?

tet.

NORMAL TEAM WON.
But the Normal Girls' Team Was De-
feated in Game Played Fri-
day Night.

Three hundred and fifty people, the
largest crowd that ever attended a bas-
ket ball game in Maryville, packed the
Normal gymnasium Friday night to
witness the basket ball games between
the girls' and boys' teams of Amity
college and the Normal teams. The
Amity girls won the first contest by a
very close count of 9 to 6, while in
the second game the Normal boys got
revenge for the defeat administered
their fair teammates by drubbing the
Amity team 40 to 22.

Last night's contest was the first
for the Normal girls, and every girl
on the team played good ball. The
guarding of Thompson and Gibling was
especially effective. For the Amity
girls Miss Coler at forward was the
star. She is a summer student at the
Normal and learned some of the fine
points of the game under Coach
Moore's supervision. The first half
of the girls' game ended with the
score a tie at 6 all. But in the second
half the enemy counted three more on

a field goal and a free throw, while
the locals were unable to register.

The first five minutes of the boys'
game was a rough and tumble affair
with the honors about even. In fact,
there was but very little basket ball
science displayed by either team dur-
ing the first half. The initial period
ended 14 to 9 in Normal's favor. In
the final half the green and white war-
riors started right with the referee's
whistle and displayed team work and
goal shooting that completely over-
came their opponents. The final count
was 40 to 22.

Valentine Party.

Miss Mary Wooldridge entertained a
few of her girl friends with a valen-
tine party Saturday afternoon at the
home of her grandmother, Mrs. Hosea
Torrance, West Third street. The
decorations were all in honor of St.
Valentine. Red hearts were strung
from the ceiling to the four cor-

ners of the table, and for the cen-
terpiece, were gaily colored birds.
Guessing games were played and a
delightful two-course luncheon in the
same color scheme as the decorations
was served. Miss Mary's guests were
Elizabeth Leet, Lillian Carpenter,
Helen Dean, Nellie Hutton, Mary Con-
don, Marie Wright, Elfrieda Linville,
Virginia Robinson, Mabel Curnutt.

A Pleasant Surprise.

ROYAL
STANDARD
TYPEWRITER

If you seek up-to-dateness in typewriter improvement, the New Model 5 Royal
offers the Two Color Ribbon device, Tabulator, Back-spacer, Tilting Paper
Table, Hinged Paper Fingers—and other features (many exclusively our
own), which place the Royal unquestionably in the lead.

If simplicity and durability of construction are uppermost to you, remember the Royal has less parts, and
less weight than other standard typewriters, while its strength and sturdiness are such that a Royal Typewriter
has never yet worn out in reasonable service.

If you judge a typewriter by its action, you will find in the Royal a delicacy and lightness of touch combined
with perfect alignment and marvelous manifold power, which will meet the most exacting requirements.

Old mistakes are avoided, and new efficiency added, in the Royal. Let us prove our statement, you'll find

IF A LAXATIVE IS NEEDED—"CASCARETS"

Salts, Calomel and Cathartic Pills Are Violent—They Act on Bowels as Pepper Acts in Nostrils.

Take a Cascaret tonight and thoroughly cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have constipation and feel all worn out.

Are you keeping your bowels clean with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.—Advertisement.

Purchased Farm Near Graham.

A deal was closed Thursday whereby Lake Sutterlin purchased the 160-acre farm of Homer Medsker, located five miles southeast of Graham.

To Cure Cold in One Day

Take LAXATIVE BROMO Quinine Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.—Adv.

LINKS TAMMANY IN POLICE-GRAFT

New York Gambler Tells of Buying Protection.

GIVES NAMES AND DATES.

Began in 1871 Paying \$10 to Patrolman, Then Paid \$60 Every Week to Police Captain Delaney—Makes Deal With Sheriff and District Attorney.

New York, Feb. 8.—James Purcell, for seventeen years a gambler in New York, unfolded to the aldermanic investigating committee graft levied during all that time. Testifying under oath he gave names, dates and places. He declared that he had paid the police many thousands of dollars.

Police Inspector McLaughlin, half a dozen police captains, including a brother-in-law of Charles F. Murphy, the Tammany leader, and scores of ward heelers and policemen, some now on the force, others off, were among the men who got the money, he said. Once, he said, orders came "in directly" from Murphy himself to close up. He moved at once.

Smooth shaven, nattily dressed in a suit of blue and wearing eye glasses, Purcell read from a pad of paper, on which he had written the history of his dealings with the police.

"The first protection money I paid was in 1897," he said. "I paid a policeman named Jerry Murphy \$10 not to disturb a racing game I was running. After that I began paying larger sums. The next was \$50 every week when I was running a gambling house—\$50 for Police Captain Delaney and \$10 for Dick Cahill, the policeman who collected it."

Payments Increase.

Purcell declared he paid \$100 a week to Sheriff Harvey of Queens county in 1909 for the privilege of running a pool room in Long Island City.

"I offered him \$50 a week and he said he would have to take care of the district attorney, too. 'Well,' I said, 'we'll make it \$100 a week.' We had been running three weeks then."

"How about the money for those three weeks?" he asked. So the next night I brought him \$100 and I paid him \$100 a week thereafter till we left, three months later."

"Did you make any money there?" "We made \$4,000 on the crap game, \$2,000 in and lost \$400 in the pool room. We made about \$3,600 clear in the three months and three weeks."

Under Cover for Months.

Purcell has been "under cover" for months—ever since the beginning of Charles Becker's trial for the murder of Rosenthal. He was ready to corroborate in many details Jack Rose's story of graft told in the Becker trial but was not called as a witness, because Justice Goff ruled out testimony through which the state hoped to prove that Becker had collected graft. Purcell will now tell his story, giving the names of men to whom he made payments, dates on which they were made and many other details.

Police Commissioner Waldo said that notwithstanding the refusal of District Attorney Whitman to permit Police Captain Walsh to disclose his confession to the police, the investigation by the police of his story would continue without interruption. It was more important, Mr. Waldo said, immediately to get grafters off the police force than to wait the results of their trial. Inspector Sweeney, suspended as a result of Walsh's confession, has made no statement.

Mrs. R. W. Bridges and Miss Fannie Merrill of Barnard were Maryville visitors Friday.

Communicaton

For County Advisor.

Editor Democrat-Forum: In a recent issue of your paper there appeared an article against a county advisor for farmers. I reply to this because I think it represents the feeling of many farmers who are not acquainted with the benefits to be derived from the advice of a farm expert.

In drawing their conclusion as to the value of such a man they have not taken into consideration all the factors in the situation. A farm advisor is not a man with a code of rules, automatic in their action, to be applied in all cases and which work equally well under all conditions. Such a conception of the farm advisor is far from the truth. The real and true conception of a farm advisor, as I see him, is a man placed in the county to co-operate with the farmers of that county in working out the particular problems of the community. Such problems cannot be adequately solved from the state department, or the U. S. department of agriculture for the conditions of climate, soil, rainfall, etc., are very different in the different counties. Such an attempt to eliminate these vital factors would be a species of folly which would be attempted only by the ignorant or unthoughtful. These departments are not attempting to do this for they realize the folly of such a scheme. They are advocating the farm advisor because they realize there is a broad gap between the agricultural college and the farmer.

They also realize that the farmer has as much right to the benefits of scientific investigation as the manufacturer. This they are not able to give him under the present regime.

I will cite you one of the multitude of instances in which this is true.

Much has been said of late years about nitrogen fixation in the soil. In applying fertilizers and manures, a knowledge of the composition of the soil is necessary to assure substantial results. In the application of certain manures on some soils the chemical reaction is such that free nitrogen, in the form of ammonia or other gaseous products is liberated and a positive loss of nitrogen is sustained, to say nothing of the waste in time, money, fertilizer, etc.

Not many farmers are well enough acquainted with the principles of agricultural chemistry to make this analysis. This is but one instance of a multitude which might be mentioned.

I believe the real vital need of the farm advisor is obvious to thinking men and may God hasten the day when we farmers will get a broader vision and in getting it get our share of the results of modern science.

High School Notes

A postponed game between the teams captained by Lyle and Blagg was played last Monday. The latter won by a score of 18 to 10. Prof. Westbrook refereed.

The beginning seniors held their first class meeting Monday afternoon for the purpose of organizing. The following officers were elected: Laura Craig, president; Ruth Reuillard, vice president; Cleo Lash, secretary; Kiker Sawyer, treasurer. There are thirteen members in the class, ten girls and three boys.

The high school first team will play Bedford at that place tonight. This will be the second of the out-of-town series for the high school, the first game having been lost to Blanchard. Those who will make the trip are Leech, Thompson, David, Murray, Wilson and Streeter.

Another tournament in the class B has been arranged. The last series was very successful and the rooters are looking forward to some hotly contested games.

The visitors of the week were Miss Helen Helpy, Miss Hazel Everhart, Miss Eleanor Smith, Mr. Fred Vander-sloot and Mr. Ray Feland.

The assembly period was turned over to Walter Frasier, the H. S. yell leader, Thursday for the purpose of teaching several new yells. It was a decidedly successful meeting.

The advanced seniors held their first meeting, since they have come to be classified thus, Tuesday afternoon. It was a very long session and many plans for the remainder of the term were made. An order for the class pennants was mailed last Thursday and they are expected to be here the last of next week. This is the largest class in the history of the school, there being twenty-eight members.

Rev. H. M. Baker of Hopkins gave a very interesting talk Friday in assembly on Character Courage and Endurance.

Miss Clara B. Neill, who has been visiting for three weeks with her sister, Mrs. H. W. Willets at Stillwater, Okla., returned to Maryville Friday for a visit with her sister, Mrs. J. Arthur Wray.

SOONS GALLANT TO SUFFRAGISTS

Favorable Report on Resolution

for Submission Promised

WOMEN STORM LEGISLATURE.

Jefferson City, Feb. 8.—The suffragettes took the legislative committees by storm and won before the battle was fairly opened. It was a surrender without terms on the part of the lawmakers and was entirely unexpected.

Both the senate and house equal suffrage amendments will be reported favorably. The vote of the senate committee was unanimous.

The suffragettes are happy, but rather disappointed that they won so easy a victory. Not one-fifth of their orators had spoken, and everyone had settled down for a long siege when President Pro Tem Wilson of the senate asked leave to make a motion.

He said there was no use in wasting any more time of the senate committee in asking it to do what was right and he moved that the Craig amendment be reported favorably. Senator Gardner of St. Louis county seconded the motion and it carried without a dissenting vote. The house committee vote followed immediately and before half the big audience knew what was going on the joint meeting adjourned.

"WETS" WERE VANQUISHED

Liquor Champions Were Overwhelmed in the "Dry" House.

Jefferson City, Feb. 8.—The "wets" were knocked out in an all day's battle with the "drys" on the floor of the house. When the hours of oratory and bitter verbal fights and shrewd maneuvering was over the county unit bill, which the drys say will make all Missouri dry in a few years with the exception of Kansas City, St. Joseph and St. Louis, had been sent to engrossment. The "wets" did not even ask for a roll call, so thoroughly had they been whipped by the "drys" on the other test votes of the day.

The bill will come up for final passage in the house Monday. It is certain to be passed. So large a majority have the "drys," so the test votes developed, they can pass about any bill they please in the house. The "wet" leaders are in a panic. They wonder if the "wets" of the senate can defend the "bridge" safely, as they have in years past.

The county unit bill provides that in the future all counties shall vote as a unit on local option. The results of the local option fights show that every county, with the possible exception of Pettis, outside the three cities, would go dry if the voters cast their ballots as they have done in the past.

FARM EXPERT IN JOHNSON

County Court Appropriated \$1,000 Annually at Request of Farmers.

Warrensburg, Mo., Feb. 8.—Johnson county, through its court, appropriated \$1,000 annually for the purpose of employing a farm advisor, thus taking advantage of the offer of the department of agriculture and the state of Missouri to duplicate the sum appropriated by the counties to hire expert farm teachers. The action of the court was at the solicitation of a big delegation of farmers from all parts of the county, who requested the court to make this an institution backed by the county, as it was their intention to have expert farm advice and the farmers and business men had already taken steps to pay for it.

JURY OF 11 DECIDES CASE

One St. Louis Juror Died, but Others Gave a Verdict.

St. Louis, Feb. 8.—Louis Duffy, a member of a jury in a libel case in the circuit court, died in the jury room here while the jury was considering the evidence and preparing a verdict.

The jury had been out about fifteen minutes, when the deputy sheriff attached to the court was summoned by the prolonged humming of the "buzz" er. He rushed upstairs to the jury room and found the eleven jurors standing awe-stricken about their dead companion. By agreement of counsel, the case was sent back to the remaining eleven jurors.

House Favors Stock Yards Inquiry.

Jefferson City, Feb. 8.—The house voted to send an investigating committee of three to inquire into the commission and yardage prices charged at the Kansas City Stock yards. It is proposed that this committee shall act with a similar committee from the Kansas legislature. The senate must yet pass the resolution before it will be determined whether Missouri will join in the investigation or not.

Callaway County Pioneer Dead.

Fulton, Mo., Feb. 8.—John B. Peters, eighty-five years old, one of the pioneer citizens of Callaway county and a brother of the late Judge Frank Peters, is dead at his home in Williamsburg.

Rogers Withdraws From Darrow Case. Los Angeles, Feb. 8.—Earl Rogers, counsel for Clarence S. Darrow, the Chicago attorney, in his trial for jury bribing, withdrew from the case after being confined to his bed. He probably will go to a sanitarium.

SOLDIERS BANQUET

(Continued from Page 1)

Several who should have been there to take part in the toasts and other pleasures of the evening were hindered on account of sickness, and their absence was referred to often with keen regret.

Rev. C. H. John, who was to have acted as toastmaster, was unable to attend on account of the illness of Mrs. John, and his place was taken by Captain Charles Hyslop. The toasts responded to were:

"But for the G. A. R., What?" by Chaplain J. T. Karr. He spoke of the brotherhood of the men who comprise this organization, how it was impossible to conceive of the tie that holds them together except by men who are soldiers and have fought for the same flag, and called attention to the fact that when they are gone, and they are passing rapidly, the organization will be gone forever, which is true of no other organization in the world.

"Our Guests," the toast of Judge I. K. Alderman, who was unable to be present, was read by the toastmaster. He referred to "our guests," "the girls we left behind us," and the tribute he paid to the "girls of '61" and to the Woman's Relief Corps was indeed eloquent and beautiful.

The responses to the toasts were made by Mrs. R. S. Braniger, president of the W. R. C., and Mrs. R. M. Black, patriotic instructor for the corps. Mrs. Black spoke first, and the way she talked about the boys and girls of civil war times, and the good times they had, would make the boys and girls of today go right in for war. She says the good times of today are nothing to be compared with the good times she had when she was 17 years old, and the boys had to come home on furlough because of sickness or wounds. How everybody turned out to see how good they could be to them; how handsome they were; the letters everybody wrote to the boys at the front with not one discouraging word in them. But Mrs. Black is not in favor of another war to bring the good times.

Mrs. R. S. Braniger responded in a happy, patriotic speech that was cheered, as was also Mrs. Black's, and Mrs. John Herron responded in a few words that closed the speech making.

Dr. D. C. Wilson responded briefly to "Is the Work of the G. A. R. Finished?" He believes that the way the old soldier may partially repay the girl who is taking care of him is to turn over to her what he is getting from Uncle Sam and let her buy new hats or anything she wants to buy with it.

It is indeed worth a whole evening at a banquet to hear the old soldier boys and their girls throw bouquets at one another. They are in earnest, too, and they can think of more fine things to say that have the truest and best ring to them than you can ever think about. Friday night's banquet will not be forgotten very soon by those who were there.

The banqueters were Mrs. Anna Day, Mrs. F. J. Quinn, Mrs. Margaret Williams, Captain and Mrs. I. M. Woods, Mr. and Mrs. C. E. White, Miss Marcia Messenger, Mr. and Mrs. J. T. Carr, Captain Charles Hyslop, Mr. and Mrs. Glover Kelley, Mr. and Mrs. Jacob Moon, Mr. and Mrs. Joseph Reese, Mr. and Mrs. Omar Catterson, Mr. and Mrs. J. D. SAID SHE WOULD FAINT

Mrs. Della Long Unable to Stand on Her Feet More Than a Few Minutes at a Time.

Pendergrass, Ga.—Mrs. Della Long, of this place, in a recent letter, says: "For five or six years, I suffered agonies with womanly troubles."

Often, I couldn't sit up more than a few minutes at a time, and if I stood on my feet long, I would faint.

I took Cardul, and it helped me immediately. Now, I can do my work all the time, and don't suffer like I did.

Take Cardul when you feel ill in any way—weak, tired, miserable, or under the weather. Cardul is a strength-building tonic medicine for women.

It has been found to relieve pain and distress caused by womanly troubles, and is an excellent medicine to have on hand at all times.

Cardul acts on the womanly constitution, building up womanly strength, toning up the nerves, and regulating the womanly organs.

Its half century of success is due to merit. It has done good to thousands. Will you try it? It may be just what you need. Ask your druggist about Cardul. He will recommend it.

N. B.—Write to: Ladies' Advisory Dept., Chatterbox Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.
